UPDATE #32

March 31, 2023

Late on March 16th and very tired after many hours of travelling, Roma and her two children arrived at Victoria Airport, welcomed by some of their sponsors.

Since then this lovely family has been staying temporarily in Langford so they can practice Ramadan with the local Ethiopian Moslem community.

Pray that Roma and her children will find and get settled into their permanent home very soon.

URGENT HOUSING REQUEST:

Unfortunately the availability of the apartment we hoped to secure in Sidney is now unconfirmed.

Help us find a two bedroom rental suite or apartment for them in Sidney or on the Peninsula close to bus service, shops and schools. Any suggestions - please email info@sprig.me or phone 250 656 0834.

ROMA IS SUPPORTED

Your strong, interest and kindness toward Roma and her kids is greatly appreciated. Thank you to the many SPRIG supporters who are ready to step up and welcome newcomers into our community.

Thank you to the sponsor group who submitted the application with Roma to come to Canada. They are helping her through these first weeks here, supported by the Anglican Diocese Refugee Program.

Please email info@sprig.me or phone Mabel Jean at 250 656 0834.
